Effectively prevents allergenic pollen from entering the vehicle

High quality air conditioning filter can effectively filter cypress or cedar pollen, dust and particles, especially suitable for car owners with pollen allergy.

Effectively block the smell of industrial exhaust and automobile exhaust

The high quality activated carbon air conditioner filter can effectively block the bad smell caused by the difficult industrial exhaust gas and the toxic automobile exhaust in the traffic jam, so as to keep the fresh air inside the car at all times.

Air flows more steadily and more smoothly!

MASUMA high quality activated carbon air conditioning filter using coconut shell activated carbon, which can better remove odor and maintain the air in the car smooth and stable flow!
