High-voltage wires (? Armored wires?) Masuma provide effective sparking at spark plug electrodes due to the high quality of conductive and insulating materials. Reliable wires guarantee easy starting and stable operation of the engine, and are distinguished by an extended service life. Masuma wire insulation is made of 100% silicone. Warranty for high voltage wires 12 months. Wherever you bought or installed a part, within a year you have the right to return it by simply providing him with a receipt or other document confirming the purchase date and price. Even if you are not a certified auto mechanic and installed the part yourself in your garage, just keep your purchase receipt and, if a problem arises, you can always return the part.

Masuma is a global brand of auto parts, components and consumables. The main specialization of the brand: resource parts for post-warranty service of Japanese cars. The company's strategy is to offer consumers the best ratio of reliability and cost of spare parts. All products are manufactured to order, technology and under the control of the parent company Masuma Auto Spare Parts Co., LTD (Tokyo, Japan) at dozens of modern factories located in East Asia.
