Masuma glow plugs make it easier to start a diesel engine by allowing the mixture to ignite in the cylinders at low temperatures. Thanks to the special heating coil, the heating time of the new generation Masuma glow plugs is reduced to 4 seconds, and the regulating coil maintains a stable temperature of the plug around 1,000 ° C. Glow plugs are guaranteed for 12 months. Wherever you bought or installed a part, within a year you have the right to return it by simply providing him with a receipt or other document confirming the purchase date and price. Even if you are not a certified auto mechanic and installed the part yourself in your garage, just keep your purchase receipt and, if a problem arises, you can always return the part. Masuma is a global brand of auto parts, components and consumables. The main specialization of the brand: resource parts for post-warranty service of Japanese cars. The company's strategy is to offer consumers the best ratio of reliability and cost of spare parts. All products are manufactured to order, technology and under the control of the parent company Masuma Auto Spare Parts Co., LTD (Tokyo, Japan) at dozens of modern factories located in East Asia.
