The Masuma muffler corrugations resiliently connect the vehicle muffler to the engine, absorbing vibrations and protecting the exhaust system from them. Externally, the muffler corrugation looks like a multilayer mesh cylinder. Masuma produces two types of corrugations: Interlock (reinforced corrugation) and Innerbraid (non-reinforced corrugation). The warranty for the muffler corrugations is 12 months. Wherever you bought or installed a part, within a year you have the right to return it by simply providing him with a receipt or other document confirming the purchase date and price. Even if you are not a certified auto mechanic and installed the part yourself in your garage, just keep your purchase receipt and, if a problem arises, you can always return the part. Masuma is a global brand of auto parts, components and consumables. The main specialization of the brand: resource parts for post-warranty service of Japanese cars. The company's strategy is to offer consumers the best ratio of reliability and cost of spare parts. All products are manufactured to order, technology and under the control of the parent company Masuma Auto Spare Parts Co., LTD (Tokyo, Japan) at dozens of modern factories located in East Asia.
