

Product Description

Product Description

MASUMA No.	MD-07010
Part Name	Cylinder head gasket (graphite-elastomer) thickness 1.60 mm
OEM No.	11044AA100,11044AA101,11044AA120,11044-AA120
Maintenance	Warranty 12 months or 30 thousand kilometer
In stock	Contact for inventory

In the production of Masuma cylinder head gaskets, intensive test cycles are carried out on test benches to ensure that the sealing requirements of modern engines are met. Masuma cylinder head gaskets are elastomeric and are available in two versions: Cylinder head gaskets with metallic elastomers. They are subdivided: into single-layer metal gaskets and multi-layer (2 layers or more). Non-metallic elastomeric head gaskets with graphite coating (graphite elastomeric cylinder head gasket). The gaskets are not subject to burnout - these are real high technologies from the company Masuma, which only a few years ago could not even be dreamed of by auto mechanics. Warranty for cylinder head gaskets 12 months. Wherever you bought or installed a part, within a year you have the right to return it by simply providing him with a receipt or other document confirming the purchase date and price. Even if you are not a certified auto mechanic and installed the part yourself in your garage, just keep your purchase receipt and, if a problem arises, you can always return the part. Masuma is a global brand of auto parts, components and consumables. The main specialization of the brand: resource parts for post-warranty service of Japanese cars. The company's strategy is to offer consumers the best ratio of reliability and cost of spare parts. All products are manufactured to order, technology and under the control of the parent company Masuma Auto Spare Parts Co., LTD (Tokyo, Japan) at dozens of modern factories located in East Asia.
