Drum pads Masuma are manufactured using Semi-Metallic technology on modern equipment, taking into account the latest achievements in the field of braking systems. Specially selected friction materials ensure the minimum braking distance, smooth and efficient braking, low and even wear of the brake drum, without causing squeaks, whistles and vibrations. Drum Pads Warranty 12 months. Wherever you bought or installed a part, within a year you have the right to return it by simply providing him with a receipt or other document confirming the purchase date and price. Even if you are not a certified auto mechanic and installed the part yourself in your garage, just keep your purchase receipt and, if a problem arises, you can always return the part. Masuma is a global brand of auto parts, components and consumables. The main specialization of the brand: resource parts for post-warranty service of Japanese cars. The company's strategy is to offer consumers the best ratio of reliability and cost of spare parts.
