The friction material of Masuma disc pads is the result of 10 years of research into various formulations and component ratios. As a result, the company was able to achieve optimal efficiency, thermal stability in different operating modes, low noise levels and moderate dust formation. Disc pads warranty 12 months. Wherever you bought or installed a part, within a year you have the right to return it by simply providing him with a receipt or other document confirming the purchase date and price. Even if you are not a certified auto mechanic and installed the part yourself in your garage, just keep your purchase receipt and, if a problem arises, you can always return the part. Masuma is a global brand of auto parts, components and consumables. The main specialization of the brand: resource parts for post-warranty service of Japanese cars. The company's strategy is to offer consumers the best ratio of reliability and cost of spare parts.
