Masuma shocks are manufactured to original OEM specifications. Masuma struts and shock absorbers are not tuning, but a quality replacement for original parts with additional improvements. The stems of Masuma shock absorbers have micro-notches that help lubricate the stem packing. This extends the life of the oil seal and the entire shock absorber. Shock absorbers are guaranteed for 12 months. Wherever you bought or installed a part, within a year you have the right to return it by simply providing him with a receipt or other document confirming the purchase date and price. Even if you are not a certified auto mechanic and installed the part yourself in your garage, just keep your purchase receipt and, if a problem arises, you can always return the part. Masuma is a global brand of auto parts, components and consumables. The main specialization of the brand: resource parts for post-warranty service of Japanese cars. The company's strategy is to offer consumers the best ratio of reliability and cost of spare parts.
