Masuma hubs are manufactured to exact factory OEM specifications, making them easy to replace worn original parts. The service life of bearings in Masuma hubs is comparable to that of the original ones and significantly exceeds the service life of the contract ones. parts that are often installed by car owners. The guarantee for the hub assemblies is 12 months. Wherever you bought or installed a part, within a year you have the right to return it by simply providing him with a receipt or other document confirming the purchase date and price. Even if you are not a certified auto mechanic and installed the part yourself in your garage, just keep your purchase receipt and, if a problem arises, you can always return the part. Masuma is a global brand of auto parts, components and consumables. The main specialization of the brand: resource parts for post-warranty service of Japanese cars. The company's strategy is to offer consumers the best ratio of reliability and cost of spare parts.
