The Masuma engine mounts are designed to exacting factory specifications, made from high quality materials, and serve as an excellent replacement for factory mountings. Masuma engine mountings provide excellent vibration absorption from the combustion engine, keeping it static, and also protect the internal combustion engine from shock and shock from the vehicle when driving on rough roads. The effective noise and vibration isolation of the Masuma engine mounts ensures comfort even at idle speed. Masuma engine mounts are resistant to stress and cracking. 12 months engine mounts warranty. Wherever you bought or installed a part, within a year you have the right to return it by simply providing him with a receipt or other document confirming the purchase date and price. Even if you are not a certified auto mechanic and installed the part yourself in your garage, just keep your purchase receipt and, if a problem arises, you can always return the part. Masuma is a global brand of spare parts, components and consumables for cars. The main specialization of the brand: resource parts for post-warranty service of Japanese cars. The company's strategy is to offer consumers the best ratio of reliability and cost of spare parts. All products are manufactured to order, technology and under the control of the parent company Masuma Auto Spare Parts Co., LTD (Tokyo, Japan) at dozens of modern factories located in East Asia.
