The anthers of the Masuma struts protect the upper, working part of the shock absorber (struts). The boot prevents dirt from getting inside the shock absorber, along the surface of the stem. Ingress of dust and dirt can compromise the tightness of the shock absorber and cause gas and oil to escape from it. 12 months warranty for the anthers of the engine struts. Wherever you bought or installed a part, within a year you have the right to return it by simply providing him with a receipt or other document confirming the purchase date and price. Even if you are not a certified auto mechanic and installed the part yourself in your garage, just keep your purchase receipt and if a problem arises, you can always return the part. Masuma is a global brand of spare parts, components and consumables for cars. The main specialization of the brand: resource parts for post-warranty service of Japanese cars. The company's strategy is to offer consumers the best ratio of reliability and cost of spare parts. All products are manufactured to order, technology and under the control of the parent company Masuma Auto Spare Parts Co., LTD (Tokyo, Japan) at dozens of modern factories located in East Asia.
