Fuse-links of Masuma car fuses are precisely matched to the rating, reliably protecting electrical equipment from power surges and short circuits in the on-board network. The body of the fuse is made of heat-resistant plastic, which excludes the possibility of melting and leakage of plastic in the fuse box, and also protects against accidental burns during replacement. Fuses are guaranteed for 12 months. Wherever you bought or installed a part, within a year you have the right to return it by simply providing him with a receipt or other document confirming the purchase date and price. Even if you are not a certified auto mechanic and installed the part yourself in your garage, just keep your purchase receipt and, if a problem arises, you can always return the part. Masuma is a global brand of auto parts, components and consumables. The main specialization of the brand: resource parts for post-warranty service of Japanese cars. The company's strategy is to offer consumers the best ratio of reliability and cost of spare parts. All products are manufactured to order, technology and under the control of the parent company Masuma Auto Spare Parts Co., LTD (Tokyo, Japan) at dozens of modern factories located in East Asia.
