Masuma eccentric bolts are used to adjust the wheel alignment in the front and rear suspension of the vehicle. Due to the use of strong grades of steel, Masuma bolts withstand loads even greater than many original bolts. Eccentric bolts are guaranteed for 12 months. Wherever you bought or installed a part, within a year you have the right to return it by simply providing him with a receipt or other document confirming the purchase date and price. Even if you are not a certified auto mechanic and installed the part yourself in your garage, just keep your purchase receipt and, if a problem arises, you can always return the part. Masuma is a global brand of auto parts, components and consumables. The main specialization of the brand: resource parts for post-warranty service of Japanese cars. The company's strategy is to offer consumers the best ratio of reliability and cost of spare parts.
